Medley A. Larkin, DO, MPH**

2020 has challenged us to do things differently. You're invited to join us virtually, every day from December 7 through 12, to enjoy an engaging and interactive 2020 Cornette "Corantine-Style" program, presented by Ascension St. Mary's Foundation. (To view, visit our **Facebook Page: Ascension St. Mary's Hospital** or visit **stmarysofmichiganfoundation.org**)

Challenging times remind us how grateful we are for our sponsors and all you do to make our work possible. Because the need doesn't go away during difficult times, we ask for your continued support as you review the enclosed sponsorship opportunities.

This year, 100% of donations and sponsorships will support the purchase of breast cancer diagnosis and patient treatment enhancements.
